- **Millennium Challenge 2002 (MC 02)**
- **JEFX 02 Network**
- **JEFX 02 Initiative Selection Process**
- **JEFX 02 / MC 02 Timeline**

# COMACC Guidance

- **Re-engineer JEFX**
  - **Start with CONOPS**
  - **Focus on a few major impediments**
  - **Reduce number of initiatives (more cross-cutting)**
  - **Leverage the great ideas already developed**
  - **Ensure meaningful allied participation in CAOC**
  - **Focus on capabilities**
- **Fully integrate with Millennium Challenge 02**
- **Experiment with the GSTF concept**
- **Exercise the Crisis Response Group in the scenario**
- **Employ AOC Weapon System (Block 20)**

# JEFX 02 Status

- **Call For Initiatives is released**
- **On schedule for Initiative Selection**
- **Block 20 CAOC requirements approved**
- **Interoperability with MC 02 progressing**

# Millennium Challenge 2002 (MC 02)

## Mission Statement

**Conduct Millennium Challenge 2002 from  
18 July - 9 August 2002, using the Western  
ranges to:**

- **Determine the extent to which the joint force is able to implement the principles of *Joint Vision 2020* to execute a rapid decisive operation in this decade,**
- **Produce DOTMLPF recommendations for those actions that must be accomplished to ensure the success of the joint force in this type of operation.**

**Provide a cohesive joint and inter-agency context for the major Service concepts:**

- USN Forward From The Sea Concept
- USMC Expeditionary Maneuver Warfare
- USAF Expeditionary Aerospace Forces
- USA Army Vision 2010
- USSOCOM initiatives
- National (Inter-agency) Support

**A robust, regional anti-access scenario**
